Short-Term Commitments Likely To Produce Long-Term Benefits

by *George Haskins*
TBCA PRESIDENT

In my December *Tidbits* message, I reflected on the coming holiday season and the end of 2024. Now here we are at the beginning of 2025 with the opportunity to explore the possibilities of a fresh start and to maybe even keep some of our New Year's resolutions.

In any event, I'm sure we will all encounter challenges along the way but let's be sure we allow the promise of this new year to carry us forward and through any adversities that might occur.

I'm certain there will be challenges for our community; as I write this on December 6th, I am hopeful that I will be reelected to the Board of Directors as Pelican Strand's representative. Even though being a member of the Board of Directors requires a much larger time commitment than I might have expected, I have enjoyed the past two years I have served.

It has been very satisfying to be a part of the progress we have achieved in many significant areas of our community operations. However, there is still much to be done and I hope to be able to offer my efforts to maintain what we, as a community, have been able to achieve as well as continue to find ways to further improve our community and the lifestyle we currently enjoy.

I know with certainty that we have an amazing experience and knowledge base among the members of TBGCC. In the past two years on the Board, I have seen the great things that can be achieved when that knowledge and experience are brought to the forefront by our many volunteers.

So, I offer each of you this challenge: Think of what talents you have or what you feel you are good at or what excites your interest. Then think about how those talents might be useful in fulfilling the promise of bettering our community. You don't need to commit to being on a board or committee but can if that's what you choose.

However, you can also participate by offering to work on a specific project or challenge. Often, it is possible to make short term commitments that have long term benefits for TBGCC. Give it some thought. Maybe make it a 2025 resolution! I promise you, if you do this, you will find the benefit will not only be for our community but for you as well.

Thanks for allowing me to work on your behalf for the past two years.

Please Note!

Simple Steps To Avoid Conflict With Neighbors

We all can get along. The key? Communication. It's often the best way to prevent and resolve conflict before it reaches the legal system. You don't have to be friends or spend time together to achieve a peaceful coexistence, but you should try to be a good neighbor by following these tips:

- Say hello. At the mailbox, while walking the dog or when you see a moving van arrive, introduce yourself. Learn your neighbors' names and regularly offer a friendly greeting.
- Provide a heads-up. If you're planning a construction project, altering your landscaping or hosting a big party, contact neighbors beforehand.
- Do unto others. Treat neighbors as you would like to be treated. Be considerate about noise from vehicles, stereos, pets, etc.
- Know your differences. Make the effort to understand each other. Differences in age, ethnic background and years in the neighborhood can lead to different expectations and misunderstandings.

- Consider the view. Keep areas of your property presentable that others can see.
- Appreciate them. If the neighbors do something you like, let them know. They'll be pleased you noticed, and it'll be easier to talk later if they do something you don't like.
- Stay positive. Most people don't try to create problems. If a neighbor does something that irritates you, don't assume it was deliberate.
- Talk honestly. Tolerance is important, but don't let a real irritation go because it seems unimportant or hard to discuss. Let your neighbors know if something they do annoys.
- Be respectful. Talk directly to your neighbors if there's a problem. Gossiping with others can damage relationships and create trouble.
- Remain calm. If a neighbor mentions a problem they have with you, thank them for the input. You don't have to agree or justify any behavior. Wait for any anger to subside before responding.
- Listen carefully. When discussing a problem, try to understand your neighbor's position and why he or she feels that way.
- Take your time. Take a break to think about what you and your neighbor have discussed. Arrange to finish the conversation at another time.

HOW YOU CAN HELP OUR COURTESY GATE ATTENDANTS

Here are some things that you can do to help improve Gatehouse efficiency:

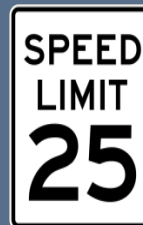

- ◆ Use our dwellingLIVE System to list your visitors (community.dwellingleive.com). Issue E-Passes to your guests (Not sure how?? Contact the Clubhouse Front Desk at **352-588-0059** for assistance).
- ◆ Avoid calling the Gates to add visitors; they CANNOT add them for you.
- ◆ Need help with adding Visitors? Call the Clubhouse Front Desk, not the gate: **352-588-0059**.
- ◆ Treat the Courtesy Gate Attendants with respect as they are doing the best they can in following the Rules of the Community.

New Year Celebration Is Oldest Of All Ancient Holidays

Happy New Year! That greeting will be said and heard for at least the first couple of weeks as 2025 gets under way. But the day celebrated as New Year's Day in modern America was not always January 1.

ANCIENT NEW YEARS

The celebration of the new year is the oldest of all holidays. It was first observed in ancient Babylon about 4,000 years ago. In the years around 2000 BC, the Babylonian New Year began with the first New Moon (actually the first visible crescent) after the Vernal Equinox (first day of spring).

The beginning of spring is a logical time to start a new year. After all, it is the season of rebirth, of planting new crops, and of blossoming. January 1, on the other hand, has no astronomical nor agricultural significance. It is purely arbitrary.

The Babylonian new year celebration lasted for 11 days. Each day had its own particular mode of celebration, but it is safe to say that modern New Year's Eve festivities pale in comparison.

The Romans continued to observe the new year in late March, but their calendar was continually tampered with by various emperors so that it soon became out of synchronization with the sun.

In order to set the calendar right, the Roman senate, in 153 BC, declared January 1 to be the beginning of the new year. But tampering continued until Julius Caesar, in 46 BC, established what has come to be known as the Julian Calendar. It again established January 1 as the new year. But in order to synchronize the calendar with the sun, Caesar had to let the previous year drag on for 445 days.

THE CHURCH'S VIEW OF NEW YEAR CELEBRATIONS

Although in the first centuries AD the Romans continued celebrating the new year, the early Catholic Church condemned the festivities as paganism. But as Christianity became more widespread, the early church began having its own religious observances concurrently with many of the pagan celebrations, and New Year's Day was no different. New Year's is still observed as the Feast of Christ's Circumcision by some denominations.

During the Middle Ages, the Church remained opposed to celebrating the New Year holiday. January 1 has been celebrated as a holiday by Western nations for only about the past 400 years.

NEW YEAR TRADITIONS

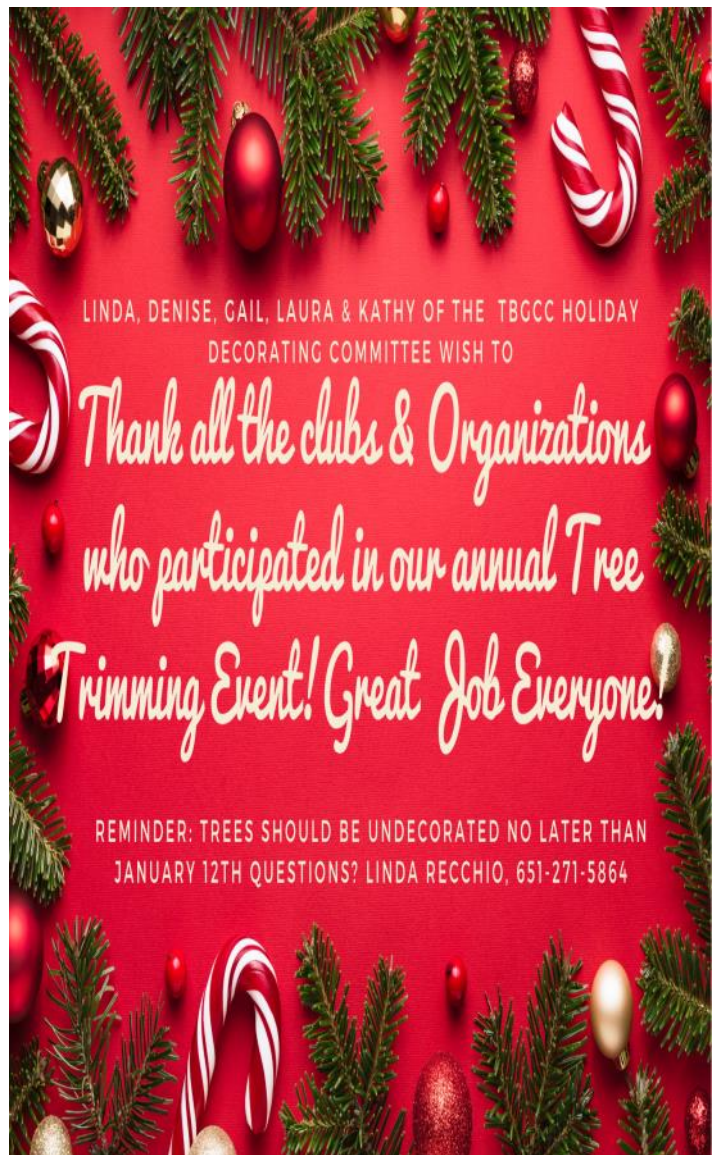

Other traditions of the season include the making of New Year's resolutions. That tradition also dates to the early Babylonians. Popular modern resolutions might include the promise to lose weight or quit smoking. The early Babylonians'

most popular resolution was to return borrowed farm equipment.

The tradition of using a baby to signify the new year was begun in Greece around 600 BC. It was their tradition at that time to celebrate their god of wine, Dionysus, by parading a baby in a basket, representing the annual rebirth of that god as the spirit of fertility. Early Egyptians also used a baby as a symbol of rebirth.

'AULD LANG SYNE'

The song, "Auld Lang Syne," is sung at the stroke of midnight in almost every English-speaking country in the world to bring in the new year. At least partially written by Robert Burns in the 1700s, it was first published in 1796 after Burns' death. Early variations of the song were sung prior to 1700 and inspired Burns to produce the modern rendition. An old Scotch tune, auld lang syne literally means "old long ago," or simply, "the good old days."

Dog Grooming Advice to Keep Pets Clean and Healthy

Regular grooming can keep your dog looking and smelling his or her best, but it's also important for maintaining health. If you choose to groom at home rather than opting for (often expensive) professional care, it's also an opportunity to examine your pet for potential concerns.

A proper grooming routine starts with the right tools. Consider these suggestions from The Humane Society of the United States:

- Dog-friendly nail clippers
 - Rubber-bristled brush
 - Dog-friendly toothbrush and toothpaste
 - Dog-friendly shampoo and conditioner
 - Cotton balls
 - Blunt-ended shears or small clippers with guides
- Microfiber towel

Trimming Nails

When your dog's nails nearly touch the ground, it's time for a trim, typically every 3-4 weeks. Trimming the part of the nail that turns down helps prevent pain and damage to paws.

If your dog has white nails, avoid cutting the "quick," the pink part that's visible on white nails, which bleeds when cut. For dark nails, simply trim a bit at a time until evidence of the quick is visible.

Bathing and Brushing

Frequency for baths and brushing depends on your dog's coat type – be sure to research optimal grooming schedules based on his or her breed. In general, The Humane Society of the United States recommends these guidelines:

- Short, smooth or wiry coat: Brush once a week with a rubber-bristled brush.
 - Long, silky or curly coat: Brush once a day with a rubber-bristled brush or wire slicker brush. Use a steel comb to prevent tangles or mats, if necessary.
- Double coat: Use an undercoat rake or de-shedding tool to gently de-shed once a week in addition to regular brushing routines.

When it's bath time, use a shampoo formulated for dogs and a damp cloth or cotton ball to clean around the eyes and ears without pushing anything into the eyes or ears. Dry with a microfiber towel or hair dryer on a low setting.

Cutting Fur

Be careful and work slowly to avoid mistakes and keep your dog calm and comfortable. Brush, bathe and completely dry prior to cutting fur with blunt-ended shears or small clippers with guide combs.

Specifically, trim hair covering the eyes and private areas and between your pup's paw pads. It may be helpful to watch a tutorial online to ensure success.

Proper grooming begins with proper tools.

Brushing Teeth

You can prevent gum disease and plaque buildup by brushing your dog's teeth with a soft toothbrush and dog-friendly toothpaste. Make sure your pet is comfortable and start slow, staying on the outside surfaces of teeth and gently rubbing back and forth. Focus on the area where the tooth surface meets the gum.

Staying Hydrated Throughout the Year is Important

Staying hydrated is important throughout the year. It's especially important for seniors 65 years and older. Staying hydrated means you are drinking enough fluid to replace the fluid you lose (example, through sweat and urine) and to feel alert and well.

Drinking enough fluids helps with digestion, regulation of body temperature, and organ function. It can prevent dehydration, constipation, and urinary tract infections.

Signs of dehydration include:

- Headaches, confusion, dizziness, feeling light-headed, fatigue
- Thirst, dry mouth, difficulty swallowing
- Dry or fragile skin that breaks down easily
- Poor appetite and weight loss
- Constipation

- Passing small amounts of dark colored, strong-smelling urine.

The amount of fluid you need to drink per day depends on your diet, health, body size, environment, and activity level. Most seniors need at least six cups (1.5 L), and up to 10 cups (2.5 L) of fluid each day.

Examples of fluids include water, tea, coffee, milk or fortified soy beverage, broth, 100 per cent vegetable or fruit juice, pop, and oral nutrition supplements such as Ensure or Boost.

Some foods, such as vegetables and fruits, soups, puddings, gelatin desserts, ice cream, sauces or gravies, smoothies and shakes have higher amounts of fluids.

Some ways to increase your fluid intake:

- Sip on fluids throughout the day.
- Keep a pitcher of water in the fridge or on the table. This will remind you to drink water.
- Drink fluids at meals and between meals.
- Fill a water bottle and carry it with you.
- Include foods with higher fluid content such as vegetables and fruits.
- Take medications with a full glass of water. If you need extra calories, drink milk or oral nutrition supplements with your medications.

2024 Golf Cart Parade

Tampa Bay Golf & Country Club's Annual Christmas Golf Cart Parade

Hi there, have you ever thought or dreamed about owning a major franchise in any number of trades but just thought this could never happen?

Well, I'm here to tell you, IT CAN!!

**Day Care, Self Storage, Restaurants like Buffalo Wild Wings, Walgreens, CVS and many more.
How, you ask? Become their landlord, using a Real Estate tool known as a "Land Lease."**

It sounds crazy but in many cases in all of the industries and names listed above, many do not own the land where they build. They lease the land on long term leases for 20-25-30 years and even longer under a lease that has built-in, time-sensitive rental increases.

Your franchise tenant does most, if not all, of the maintenance work. Many even insure the whole package and in some cases, depending on the lease terms, pay the taxes on the property for you.

I cannot put into this ad how many opportunities and options are out there but I can personally tell you when we sit and talk. Or—better yet—put a group of friends, neighbors or family together. Then call me and allow me and my associate to show you what we have to offer.

Who does this now? McDonald's ... they buy the land where they want to be, then find or assign a franchisee to buy the whole package. **Have they been successful? You tell me ...** Call me, you will not be disappointed.

Gary & Donna Koch Charity Scramble

It was an amazing day. We hosted the 1st annual Gary and Donna Koch Charity Scramble in an effort to raise funds to support the WCC PGA Associates Foundation, which offers education, mentorship, and scholarship grants to the Associates within the West Central Chapter of the North Florida PGA. The event was a huge success as we raised just over \$9,500. Thank you to our sponsors, participants, Gary Koch and all the PGA Professionals who donated rounds to make this event so successful.

Dave was terrific in our sale of silver. He explained every step and was upfront on how he would determine value. My wife had emotional ties to the silverware and he was very understanding and patient. Good guy and we would work with him again."

TRIVIA LOTTERY DRAWING

Trivia lottery will be held the first Tuesday of each month, 10am, in the Clubhouse Ballroom. Attendance is not mandatory. If your team is drawn, you will have a table. You will be notified by phone or email about which day or days you will play.

Teams will be drawn for the first Trivia (2nd Tuesday), followed by a drawing for teams for the second Trivia (4th Tuesday). If space is still available, names from the first drawing will be drawn to fill the second date.

Only one form per team is allowed and must include a team representative name, phone number, and email address. The form must also include the names of the rest of the team members, along with the team's name. Duplicate submissions will be destroyed.

All forms must be submitted to the Front Desk no later than 5pm on the first Monday of the month. Any forms turned in after the deadline will be kept only for the following month's lottery drawing.

Happy New Year, Neighbors!

It's that time of the year that I proudly honor my promise to donate 5% of my gross commissions to try to eliminate breast cancer, for good! This year, I donated a bit early as there was a THREE-TIME benefactor, tripling my donation. I work very hard to do my very best for all of my clients and couldn't be happier that they're all my partners in helping eradicate Breast Cancer!

HAPPY STITCHERS

Happy New Year!

by Eileen Sandilands

2024 was a very productive and rewarding year for the members of the Happy Stitchers.

Our members hand made more than 500 donated items. Chemo caps, shawls, blankets and Hugs went to Moffitt Cancer Center. Preemie hats and baby booties went to Advent Health and blankets went to St. Vincent de Paul.

Camp Boggy Creek

This year we have added blankets for donation to Camp Boggy Creek in Eustis. The camp was started by Paul Newman, General Norman Schwarzkopf and other investors for the benefit of children with chronic illnesses.

Because of their illness, these children don't have an opportunity to attend a regular camp because of the need for constant medical supervision. Camp Boggy Creek is equipped so they can fish, swim, and play games along with many other activities.

The camp has its own hospital facility staffed with volunteer doctors, nurses and medical students. It is open all year and children who have the same illnesses come for a weekend or week-long session.

On each bed the child will find a hand-knitted or crocheted blanket. That blanket goes home with them as a remembrance of the time when they were like everyone else and not just a child with an illness.

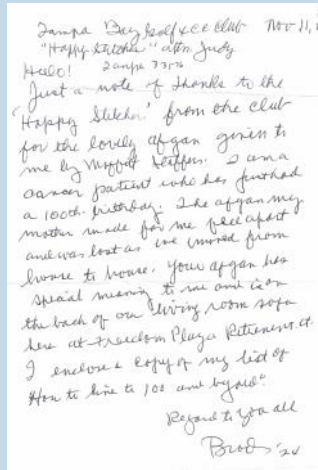

Special Thank You

In November a member of our group received a note from a Moffitt patient thanking her for the blanket she made.

Please take a minute to read this lovely note, shown above. We do what we do for the love of the craft and the hope that the item we made brings a little joy to the person who receives it. This letter let us know it does.

We also would like to thank the ladies of Tampa Bay who have donated their unused yarn to our group. All donated yarn is used to make donated items, is never for our personal use.

The Happy Stitchers meet Fridays in the Large Cardroom in the Clubhouse from 9 to 11:30am. If you knit, crochet, do cross stitch, needlepoint or other needlework, please stop by, join and stay for lunch. We would love to meet you.

A recent Moffitt patient thanks our stitchers for the blanket she received.

These blankets were made for Camp Boggy Creek by Elaine Frank (not pictured), Kelly Guglietti (Tic-Tac-Toe) and Eileen Sandilands (Cat's Meow). The Happy Stitchers meet Fridays in the Large Cardroom in the Clubhouse from 9 to 11:30am. For more information, call Eileen at 352-208-2094.

Once again, Happy Travelers Club annual Christmas Party was a huge success! The party was well attended with many delicious entrees and desserts to choose from. Table decorations added festive touches to the event and gift raffles were plentiful. A merry olde evening was had by all fellow travelers. ITALIAN AMERICAN CLUB

We Are Grateful To All

The IAC would like to thank all its members and the entire TBGCC community for the support given to our club this past year. Your attendance at our dance events and our Italian Festival helped us to raise a lot of money. Please see the list of all the donations the IAC made through December 10th. As you can see, the majority of our donations were given to organizations right here in our wonderful community!

Members are looking forward to more giving in 2025. Thank you in advance for your continued support of our events in this promising new year. Wishing you all a 2025 full of friendships, health and happiness!

Our first meeting of 2025 is Monday, February 3, 6pm dinner, 7pm meeting, in the Community Center.

TAMPA BAY TOOTSIES

The Tampa Bay Tootsies celebrated their year filled with charitable endeavors and fun at their annual Christmas luncheon, where they wrapped up monetary donations to local organizations.

Charity, Fun Rules Tootsies in 2024; New Year Promises More

by *Mary Ann Jackson*

The Tootsies Executive Board and Social Committee would like to wish our membership a joyous and healthy new year.

The past year has been filled with fun and charitable endeavors and the Tootsies certainly have enjoyed themselves. Social highlights include wine bingos, pizza party with line dancing, ice cream social, driveway wine happy hours, luncheons, fashion show and trips over to Pier 60 for the Sugar Sand Festival, Suncoast Broadway Theatre and a day in Dunedin.

The Tootsies demonstrated remarkable generosity, donating 50 school backpacks to Catholic Services of Pasco County and gift cards for Firehouses 13 and 27, thanking them both for their service to our communities.

We have a food drive quarterly where the SUVs are packed to the roofs from our generous Tootsies and TBGCC supporters. We also monetarily supported the Veterans Day Breakfast and the Sunshine Club's many outreach programs. Thank you, Tootsies!

At our Christmas luncheon, Tootsies enjoyed soup and salad plus fun candy-cane-themed games. Monetary donations were made to Angelus House, Friends of Joshua House and Hope Services. DeDe Grundel (Friends of Joshua House) and Cindy Bray (Hope Services) addressed the Tootsies membership. Tootsies attending the luncheon brought items for Baldomero Lopez State Veterans Home.

The Executive Board term concludes March 31st, and a new leadership team will assume roles April 1st. We invite dedicated members to contact our Nominating Committee and shape the future of our organization. Not a member yet? Come join in the fun, or don't forget to rejoin this month for the upcoming year. Our year now runs from December 1, 2024, to December 31, 2025.]

The GFWC TampaBay Woman's Club's annual Holiday Tea was a fabulous way to kick off the holiday season!

The event was sold out and those who / attended were treated to gorgeous table settings, delicious assorted tea sandwiches, and yummy desserts!

Our featured speaker, Cindy Bray, Executive Director of Hope Services, told us her heartfelt family story about her daughter, who is the reason behind this non-profit organization.

Hope Services fosters independence for people (children and adults) living with disabilities and members of the community by providing life skills, vocational training, and employment services. The Leadership Team would especially like to give a sincere thank you to our hardworking members, who tirelessly worked toward making this event the best!

GFWC TampaBay Woman's Club once again presented our Annual **GIVING TREE**, benefiting local children with a brand-new pair of sneakers. We are overwhelmed by the generous community in which we live!

Many thanks to all who purchased sneakers as well as to individual donations and especially the Italian American Club for their generous monetary donation that made it possible for us to give shoes to three schools, a community center, and Sunrise Domestic Violence Shelter.

Hope Lodge is a communal residence for patients at Moffitt Cancer Center and their families who travel long distances to receive specialized cancer treatment over a period of time. We cooked a variety of entrées for them in our crockpots. The Hope Lodge crockpot dinner was tiring, humbling, and one of the most heartwarming experiences ever!

We attended Caterpillars to Butterflies Holiday Party at the Farm and gave away jewelry sets to foster children for their moms as holiday gifts. This special, nonprofit organization helps foster families in Pasco County. Jane Dunwoodie, one of our founding members in 2018, will be our 2025 President.

We anticipate a fabulous year with Jane leading the way! Our next club meeting is Monday, January 13, at 9:15 and we are very excited to have our first member arts and crafts competition.

Caterpillars to Butterflies Holiday Party at the Farm: Barbara Hargrave, Joann Harms, Diane Godsend,, Jenny Schneider, Dee Hannigan, Fran Costello, Toni Little, and Judy Arnold.

Holiday Tea was our kickoff for the season.

We meet monthly on the 2nd Monday at 9:15 in the Community Center. Membership is open to any ladies residing in TBGCC.

We would love to have you visit with us at a meeting. It is a wonderful way to meet your neighbors and get involved in a meaningful way.

For information, contact President Jane Dunwoodie at: jdunwoodie@tampabay.rr.com.

Golf Course Cart Paths For Golf Use Only

The golf course cart paths are for **GOLF USE ONLY**. Please do not use the cart paths for walking, bike riding or non-golf cart rides through the course.

NOTE: The golf course is still open after the pro shop is closed. This means it is possible we have golfers on the course at all times.

13.7.1. Golf carts shall not be used by a Member or guest on the property of the Club without proper assignment and registration in the pro shop.

13.7.17. Golf carts shall be driven on the golf course only when it is open for play.

13.8.13. Private carts without payment of appropriate fees will not be allowed access to the golf course.

13.8.15. Privately owned golf carts shall be driven on the golf course only when the golf course is open for play.

If your golf cart stops working and you are on one of our streets, please contact Debi Ramos at **352-588-9266**.

Calling All 18-Hole Players

We invite anyone with an interest in trying out the TBWGA 18-hole league to join us on a Wednesday play day—8am shotgun.

You must have an established GHIN handicap of 54 or less to join.

We are a friendly group of women with diverse playing abilities and a mutual love for the game, and we welcome you into our league. If interested, please contact Brenda Vaughn, and we will sign you up for a Wednesday play day.
